

Declaration of conformity

We, the manufacturer

**Sea Systems AB
Terminalgatan 19A
S-23539 Vellinge
Sweden**

Declare that the product

Line Amplifier

SEAS 4020

Is in conformity with Council Directive

2006/95/EC (Low Voltage Directive), 2004/108/EC (EMC Directive), RoHS 2011/65/EU

EN60945:2002

Maritime navigation and radio communication equipment and systems -

General requirements

Methods of testing and required test results

EN60065:2002+A1:2006+A11:2008+A2:2010+A12:2011

Audio, video and similar electronic apparatus -

Safety requirements

EN60278:2010

Cable network for television signals, sound signals and interactive services

Part 11: Safety

EN50083-2:2012

Cable networks for television signals, sound signals and interactive services -

Part 2. Electromagnetic compatibility for equipment

EN61000-3-2:2006+A1:2009+A2:2009

Electromagnetic compatibility (EMC)- Part 3-2: Limits -

Limits for harmonic current emissions (equipment input current up to and incl. 16A per phase)

EN61000-3-3:2008

Electromagnetic compatibility (EMC) - Part 3-3: Limits-

Limits of voltage changes, voltage fluctuations and flicker in public low-voltage supply systems, for equipment with rated current up to 16A per phase

Manufacturer/importer

Date: 20/8 2015
